fashion is our attitude

"What's my style is not  
your style, and I don't  
see how you can define it.  
It's something that  
expresses who you  
are in your own way."

Fashion is part of the daily air and it changes all the time, with all the events. You can even see the approaching of a revolution in clothes. You can see and feel everything in clothes.
