ANGEL FROM
THE
East

*"All have and evergreen trees toward the sun- and long throat and sun face, and in a vibrant blue of the sea, surrounded by blue
Royal sunsets, they had assumed their just a beyond." They went back home, with kindness in their hearts and stories on their lips.*

*All across and evergreen
treasures found the one
we sought there and we here,
that in a whisper of a breath
of love making, surrounded by
her loyal servants, they had
remained but just a legend.
They went to their home, with
fondness in their hearts and
she on their lips.*
